About This Game

Experience the Mountain

SNOW is the only free-to-play, open world, winter sports game. Explore a massive mountain on **snowboard, skis and snowmobile**, customize your character with clothing and equipment and compete in competitive events. Or head online and explore the mountain together with other players!

For more information and updates, visit the SNOW Blog or chat with the Developers on Discord.

Key Features

//Open-World

Explore Sialia, a massive alpine mountain handcrafted for the game. Descend Sialia's four faces and discover hidden valleys, mountain towns, old ruins and much more.

//Authentic

Feel the snow beneath you as your ride down the mountain on skis or snowboard. SNOW has been built as a completely physics driven game to give you the most realistic skiing experience ever.

//Customization

Customize your look from head to toe from a catalogue of over 300 items.

//Multiplayer

Ride with your friends in Free Roam Multiplayer and experience the mountain together.

//Create

Customize your mountain by placing props and other features anywhere you like. Use jumps to access new areas or place other props to approach an area in a new way.

//Compete

Prove your skill by competing in real events from around the world, like X Games Aspen, Suzuki's Nine Knights, and Jon Olsson's Invitational. Go for the Gold Medal to unlock exclusive event items and rewards.

SNOW free-to-play offers 36 events, 13 challenges, 39 collectables, 19 sightseeing locations, and 39 rewards

Backed the game back in 2014, now I only have access to the free version and I have to pay again for full game. No reply from customer services.. Ever get the feeling you've been cheated? \ud83d\ude10. I bought this game to support it early on. Now its free and they didn't provide the paid version to backers.. This piece of\u2665\u2665\u2665\u2665\u2665came out like 3-4 years ago maybe and there is still next to no content and now I see that they charge you for mountains??? PIECE OF\u2665\u2665\u2665\u2665\u2665DON'T BUY. If you wanna play a ski\snowboard game, Go play shaun white on xbox 360 and it's gonna be 3000x better than this crap.. I paid for this back in the day and now it's free to play and still a pile of poo.
